Sarah Weller
Administrator and
Owner of Aotearoa NZ

A satellite view of New Zealand, with the islands of North and South Island clearly visible. The landmasses are dark, while the surrounding ocean is a deep blue. A bright cyan or light blue glow emanates from the coastlines, creating a halo effect around the islands. The glow is more intense near the shore and fades into the darker blue of the open ocean. The overall image has a high-contrast, ethereal quality.
